

The Seattle Design Commission & the Seattle Planning Commission invite you to envision the future of the Central Waterfront at a 2 day public forum.

The Honorable Gregory J. Nickels, Mayor of Seattle will welcome all to the first of 3 Central Waterfront Forums.

Michael Sorkin, renowned architect, urban designer and writer, will share his keen wit and provocative insights on the 21st century city and waterfront.

Four distinguished panelists will expand the dialogue in terms of economy, ecology, transportation and community.

Most importantly, we would like to hear your ideas, hopes and dreams for Seattle's Central Waterfront.
